

Visitors

- ◇ Always acknowledge a knock on your door or a ring of the doorbell. Never blindly open the door, but ask who is there and look through a peephole, window, surveillance camera, or intercom before you open the door.

Arriving/Leaving

- ◇ Always be alert to your surroundings. Look for strange vehicles or pedestrians who seem to be watching you as you leave or arrive home.
- ◇ Have your keys ready and do not overload yourself with packages.
- ◇ If you see suspicious people or activity, call 911.

Home Survey

- ◇ Call your Crime Prevention Specialist to schedule a FREE residential security survey.

Home Security Residential Security Tips

Crime Prevention Unit

Deterrents

- ◇ Consider installing an alarm system and have the alarm monitored by a reputable company.
- ◇ Make your home look and sound like someone is home. Use timers for lights and TV's or radios any time you are not home.
- ◇ Every exterior door should have a deadbolt lock.
- ◇ Keep shrubbery trimmed below windows so they are visible from the roadway.
- ◇ A barking dog may be all it takes to deter a burglar. Thieves do not want to take a chance on getting bit.
- ◇ Turn on porch lights at night so neighbors can see people lurking around your home.
- ◇ Arrange for packages and mail to be delivered when you are home to avoid theft.

- ◇ Never hide a key outside your home. The thieves know all the hiding places.
- ◇ Do not leave notes on your door for delivery people or family and friends. They are a beacon to thieves.
- ◇ Have locks changed or re-keyed if you move into a new home or apartment or lose your keys. Do not label keys with your name or address.

While on Vacation

- ◇ Have a trusted friend or neighbor check on your home daily. If possible, leave a car parked in the driveway.
- ◇ Have newspapers and mail delivery held until you return.
- ◇ Use timers on lights and TV's throughout your home.
- ◇ Notify your alarm company that you will be away.
- ◇ Never announce travel plans on your answering machine or on social media. Not everyone is your "friend."

- ◇ Notify the police department so a complimentary house check can be conducted while you are gone. Random security checks may be conducted of your property. Visit our website, FayPD.com, and click on "Request a House/Party Check" to submit your information.

Electronics/Valuables

- ◇ Position TV's, DVD's, gaming systems and other electronics away from windows.
- ◇ Mark valuables with your drivers license number and take **photos** of all valuables. Use a property inventory sheet to keep track of **serial numbers** and email the inventory sheet to yourself in case property is stolen.
- ◇ Inventory sheets can be obtained through your Crime Prevention Specialist.
- ◇ Engravers are inexpensive and can be purchased in many retail stores.
